Family Treatment Coordinators (Case Workers) are needed in Baltimore, Maryland, and Snellville, Georgia. For the Maryland position, licensure to practice Social Work in the state of Maryland is required. Candidates who do not possess this licensure will not be considered.

For both states, a Bachelors Degree and a minimum of one to three years of experience in Treatment Foster Care are required; however, a Masters Degree is strongly preferred. Baltimore applicants must be licensed.

Program Coordinator is needed in Baltimore, Maryland. A licensed social work degree is needed to perform safe home studies. We prefer 3 years experience in recruiting and completing home studies.

Divisional Treatment Administrator is needed for our Baltimore division. Maryland State requires all supervisors to be a LCSW-C. We prefer candidates that have 3 + years experience in Treatment Foster Care and 3 or more years experience in supervision.
